## **1. COURSE OBJECTIVES:**

A course on Democracy in India is so indispensable for the study of law in India. Indian Laws can never be sufficiently understood without grasping the nuanced aspects of Democracy in India. Having the fundamental knowledge of Democracy in India is vital for understanding the jurisprudential developments of Indian legal system. Democracy in India is so dynamic and it has been constantly evolving. Evolving nature of Democracy in India also largely shapes the dynamics of developments in all spheres. Hence, having sufficient knowledge of Democracy in India so crucial for every student. Active participation in any national and internal discourses can never be agile without a thorough study of Democracy in India. India is a complex and diverse country, and it is imperative for every student to possess necessary acumen of Democracy in India. The objective of this course is to acquaint students with Democracy in India. The present course has been incorporated for the law students to familiarise students with Democracy in India. National Law and Judicial Academy, Assam has introduced this course to provide a proper understanding of Democracy in India to students.

## **2. TEACHING METHODOLOGY:**

National Law University, Assam has framed its own teaching methodology to train its students in learning and understanding of political aspects and issues. The teaching methodology is not just confined to a traditional lecture method but a participatory teaching method with an aim to discuss on various current political aspects. The pedagogy followed is the combination of lectures and intense discussions in the class.

This course requires students to engage in seminars or group discussions for which topics and themes will be assigned well in advance. Assignments will be also assigned to the students as a part of the course. The students are also encouraged to do independent research on their respective assignments. Every student is required to present their topics and clear their doubts through discussion.

## **3. EXPECTED OUTCOMES OF THE COURSE:**

On the completion of this course, the students are expected to understand the nuances of each module. Students shall be in a position to understand various aspects of Democracy in India. Through the wide exposure to several issues involving in Democracy in India, students will be enabled to develop their own perspective on various issues in society. Moreover, this course will sharpen students' endeavour to tackle issues entangling in Democracy in India through the legal route.

## **4. COURSE EVALUATION METHOD:**

The course will be evaluated for 200 marks. The Evaluation process will be as follows:
