

NSS Cleaning Drive at Shri DouL Gobindo Mandir: A Transformative Community Initiative

Date: 24/02/2024

On 24/02/2024, the National Service Scheme (NSS) organized a remarkable cleaning drive at the revered Shri DouL Gobindo Mandir, located on the foothills of Chandra Bharati hill at Rajaduat, North Guwahati. This event was a testament to the commitment of the NSS towards community service, and preserving the cultural heritage of our society. The cleaning drive aimed not only to maintain the sanctity of the temple premises but also to instil a sense of responsibility and civic duty among the volunteers.

The Shri DouL Gobindo Mandir, a centuries-old Hindu temple, holds immense cultural and religious significance in the region. Understanding the importance of preserving such historical and spiritual sites, NSS took the initiative to organize a cleaning drive, inviting volunteers from various colleges and universities in the area.

The event kicked off with our journey from the university to the temple. The volunteers, equipped with cleaning tools, waste bags, and gloves, were divided into teams, each assigned a specific area within the temple premises to clean. The tasks included sweeping the courtyards, collecting fallen leaves, removing cobwebs, and ensuring the disposal of waste in an environmentally friendly manner. The collaborative effort not only fostered a sense of unity among the volunteers but also showcased the power of collective action in achieving common goals.

The cleaning drive had a profound impact on the community and the temple surroundings. The once litter-strewn areas now gleamed with cleanliness and the temple's spiritual ambiance was further strengthened because of it. The volunteers received prasad and breakfast from the temple premises as a show of gratitude. Moreover, the event left an enduring impression on the volunteers. The experience not only enhanced their awareness of cultural heritage but also instilled a sense of duty toward preserving it for future generations. The event aligned with the NSS's broader goals of holistic development, ensuring that participants not only engage in community service but also gain valuable perspectives that contribute to their personal growth.

The NSS cleaning drive at Shri DouL Gobindo Mandir was more than just a community service initiative; it was a transformative experience that blended environmental stewardship, cultural preservation, and community engagement. The event not only beautified the temple premises but also left an indelible mark on the volunteers, inspiring them to continue contributing to the well-being of their communities. As the NSS continues to organize such impactful events, the ripple effect of positive change in society is bound to grow, reinforcing the importance of collective action and responsible citizenship among the volunteers as well as the common citizens alike.

LIST OF STUDENTS:

Batch of 2027

- Amrita Kashyap – SF0122007
- Shashank Shukla – SM0122052
- Vipul Chandra Rai – SM0122061

Batch of 2028

- Uma Sharma - SF0123060
- Hynasri daimari - SF012023
- Anupama das - SF0123009
- Neha nath - SF0123034
- Jastimadhu - SM0123024
- Biswarupa Das - SF0123013
- Prachi Bhardwaj - SF0123039
- Rajkumari Chalambi Devi - SF0123043
- Arpita Halder - SF0123011
- Varada S. - SF0123062
- Anushka Daipuria - SF0123010
- Suwala Kaman - SF0123055
- Yi Seng On Dihingia - SF0123064
- Saksham Patiyar - SM0123045
