1. COURSE OBJECTIVES:

A study of Indian Politics since Independence is extremely essential for students of any discipline. Indian Politics since Independence is a very dynamic and engaging course. Since independence, the nature of Indian politics has been evolving. Politics is one realm which really shapes the course of the nation and its people. This course on Indian politics since independence provides the learners a unique opportunity to be well acquainted with various political aspects in India. This seminar paper has been incorporated with the aim of training the students to explore various nuances of Indian Politics since Independence. In this seminar paper course, the aim is to train students to write terms papers, projects and assignments on specific themes related to Indian Politics since Independence. This seminar paper course also furnishes a platform for the students to engage in research work activities. In the process of writing seminar paper on certain specific themes or topics on Indian Politics since Independence, this seminar paper course explores the possibilities of generating new ideas and knowledge. Moreover, the objective of this course is to broaden the overall understanding of students about the Indian Politics since Independence.

2. TEACHING METHODOLOGY:

National Law University and Judicial Academy, Assam has framed its own teaching methodology to train its students in learning and understanding of political aspects and issues. The teaching pedagogy followed is normally the combination of lectures and intense discussions in the class. But this seminar paper is not purely based on lecture method. In this seminar paper course, students will be required to engage in seminars, group discussions, dialogues and debates for which topics and themes will be assigned well in advance. Assignments, projects and term papers will be also assigned to the students as a part of the seminar paper course. In this course, students are strongly encouraged to do independent research on their respective assignments. Students are advised to carry out original research works while writing their seminar papers.

3. EXPECTED OUTCOMES OF THE COURSE:

On the completion of this course, the students are expected to understand the nuances of writing a seminar paper. Students will be in the position to explore various facets of Indian Politics since Independence through this seminar paper. Students will be able to grasp multifarious aspects of Indian Politics since Independence. They will also come across the complexities and peculiar facets of Indian Politics since Independence. Students will be able to master the art of writing research paper on Indian Politics since Independence confidently. Moreover, this seminar paper will expose students to the realm of original research activities.
