This event is made possible because of the continuous guidance and deep involvement of our beloved Chancellor, Hon'ble Shri Justice Ajit Singh, Chief Justice of Gauhati High Court. His commitment to the development of the University is unparalleled. It is in the fitness of things that his Lordship is presiding over the First Convocation of NLUJA and will confer the degrees to the graduands. Sir, it is my privilege as well as honour to extend a very warm welcome to you.

On this occasion, I would like to place before the august gathering a brief report on the "Journey So Far" of NLUJA. The National Law University & Judicial Academy, Assam came into existence by a State of Assam legislation passed in 2009 and started functioning from June 2011 from a small three room apartment in Uzan Bazar near Gauhati High Court. Three months later, the University was shifted to the North Eastern Judicial Officers' Training Institute building at Ulubari. The first academic session started functioning from September 1, 2011 with first batch of sixty students for B.A., LL.B. Honours who will be taking their degrees today along with the second batch of students admitted in 2012. The University is administering B.A., LL.B. Honours (Five Year Integrated), LL.M. (One Year) and Ph.D. degree courses.

The foundation stone for the Permanent Campus of the University at Amingaon was laid by Hon'ble Shri Justice Adarsh Kumar Goel, the then Chief Justice of the Gauhati High Court and the Chancellor of the University on July 1, 2012. The permanent Campus, in a sprawling 50

acres of beautiful landscape with sylvan Hills in the backdrop and mighty Brahmaputra river flowing in the front was inaugurated on March 25, 2017 in the presence of a galaxy of distinguished guests.

Due to the fortnightly campus review meetings held by His Lordship, the Chief Justice of Gauhati High Court along with the Chief Secretary of Government of Assam, supported by a team of dedicated Hon'ble Judges of Gauhati High Court, Judicial Officers, Government Officers, PWD Engineers, our own teaching and non-teaching staff to mention a few, the campus is growing in leaps and bounds with state-of-the-art facilities.

The herculean task of building a world-class university is taken up in the right earnest by the members of the University with their hard work and dedication. I would like to mention a few milestones achieved by the University.

NLUJA has become a member of Shastri Indo-Canadian Institute (SICI) on December 7, 2016 paving way for collaborations and exchange programmes with the Canadian Universities. A Ph.D. student of NLUJA was awarded a fellowship to research for three months in Canada. The Vice Chancellor had the opportunity to pay visit to Soochow University Law School, Taipei and explore collaboration with important universities in China and Japan at their invitation on November 24-26, 2017. Efforts are on to develop collaborations with the European Universities and Universities in the U.S.

The University has entered into MoUs with the Assam Administrative Staff College on April 27, 2017, the India International Institute of Democracy and Election Management (IIIDEM), Election Commission of India, New Delhi on April 27, 2017 and IDIA Charitable Trust on May 15, 2017.

The University has established the Centre for Child Rights in collaboration with the UNICEF to study, research and promote child rights activities in Assam and the North-East. Centre for Environment Law and Centre for Disability Studies and Health Laws are also established and functioning effectively.

The University is handling the project of the Government of Assam funded by the World Bank for drafting of the legislation for the establishment of Inland Water Transport Regulatory Authority and Memorandum of Association and Articles of Association for the establishment of two companies to manage ports and vessels.

We have started Dr. Gurjeet Singh Memorial National Moot Court Competition from the academic year 2016-17 as a flagship programme of the University. "Adhwik Udjjapon" ADUJ 2017, a student national cultural fest was also successfully conducted in the same year as another flagship programme of the University. Sports Committee of Student Bar Council are busy in organising national sports festival "ABHIVEERA 2018", another flagship programme of NLUJA in this academic year.

The University is publishing two journals NLUA Law and Policy Review and NLUA Law Review (Student Journal). We are also publishing Nyayalok, six-monthly news magazine of NLUJA.

Project on "Minimum Laws" to research and systematize laws of the State of Assam is under preparation and will soon be taken up. The initiative is taken by the Chief Secretary of the Government of Assam to institute Chief Minister's Good Governance Fellowships whereunder the students of NLUJA will be posted in the Government Departments to understand their working and suggest innovations in the system. As desired by the Hon'ble Chief Minister, efforts are on to establish a Centre for Space Law Research with the assistance of ISRO which is being facilitated by Kamath & Kamath, Bangalore. One of our faculties is working in UNDP project on biodiversity laws with the help of NLSIU, Bangalore and will soon be master-trainer to train stakeholders in the North-East for conservation and sustainable development of biodiversity.

Our young and energetic faculty is actively engaged in quality teaching, research, extension and other co-curricular activities. Many of them are participating in national and international seminars and conferences. Our students are not lagging behind in participating in national and international conferences and Moot Court Competitions and have brought many laurels to the University.

The University has plans to establish a few more study and research centres, launch part time LL.M. degree programme for legal professionals and start some diploma and certificate courses in cutting edge areas of law. Preparatory work is going on in developing necessary regulations for these programmes.

Ladies and gentlemen, in the last seven years of its establishment NLUJA is carving out a niche for itself in the highly competitive world of legal academics and hopes to develop as an eminent University of national and international repute in the coming years with the kind cooperation of all of you.

In this first Convocation of NLUJA a total of 148 graduands are taking their degrees.
