

A Report on
Poster Drive and Awareness Campaign
Kalibari, Amingaon
27 February, 2025, Thursday
Centre for Clinical Legal Education and Legal Aid Cell

A Poster Drive and Awareness Campaign was conducted by the Centre for Clinical Legal Education and Legal Aid Cell, NLUJAA on 27 February, 2025. The campaign is part of our regular endeavors to inform the villagers living close to the university about the presence and functioning of the Legal Aid Clinic, so that they can visit the Clinic and discuss their legal problems. For this purpose, we conducted a poster drive as well as an interaction with the people from 4 to 5 PM.

This time, the locality chosen for the campaign was Kalibari, Amingaon. Our volunteers and teachers met the local people and informed them as to how we may be helpful them in the resolution of their legal problems. Posters containing the details (time, days and address) about the Clinic were also affixed at suitable places with the consent of the local people. Our team consisted of student-volunteers (Ritu Raj from X semester and Tushar Azad from VI semester), technical support staff Mr. Pankaj Saikia and teachers (Dr. Kailash Jeenger and Dr. Shailendra Kumar).
