On 10<sup>th</sup> December, 2025, the Centre for Clinical Legal Education and Legal Aid Cell (CCLELAC) and the National Service Scheme Unit of NLUJAA jointly organised a Voting Rights Awareness Campaign on the International Human Rights Day. Right to vote is a significant political right under the category of human rights. The campaign was conducted at the Hajo Chowk, Amingaon and the adjacent areas.

The volunteers were accompanied by two faculty members, Mr. Saheb Choudhary and Dr. Shailendra Kumar. For conducting the rally and campaign, placards and banner were used. The placard displayed slogans, such as, Every Vote Counts, Do Not Vote for Money, Your Vote Your Right, Vote Freely etc. The placards were printed in the Assamese language so that everyone can read and comprehend.

Our volunteers met the people in the designated area and informed them in detail about their voting right and its importance. The villagers showed warm and pleasant gesture towards our initiative. Some of the volunteers could converse in the local vernacular. It made the exchange of views and information convenient.
