Subject: Report on Mentor- Mentee Programme

Respected Madam,

I would kindly like to inform you that I have organised a meeting with the students of the 1<sup>st</sup> year (1<sup>st</sup> semester), odd semester allotted to me for mentorship on 21st November 2022 for the academic year 2022-23. A total of 11 students were present out of sixteen students. They conveyed some common academic and other grievances which they have been facing and are stated as under:

- a. To extend the timing of library during weekdays so that they could devote more time in library study and that the library should remain open during weekends (only the ground floor/reading section) remains open on weekend.
- b. Lack of updated editions of books on laws and social sciences in the library. Also the syllabus oriented books on laws are lacking. For the subject Political science, the books are mostly on Indian Politics and for History and Economics limited books are there in the library. Additionally, the updated versions of journals are also lacking.
- c. Shortage of study tables in the hostel room and also some of the tables are broken.
- d. No proper cleaning of the hostel rooms is done.
- e. Requirement of a clean and hygienic canteen with good ambience where the get quality food at a subsidised rate. The current existing canteen food is a bit expensive and also less hygienic.

In furtherance of the above cited problems, I have intimated the respected departments about the same and requested them to take appropriate action.

Yours Faithfully,

Dipakshi Das,

Dear sir/madam Greetings of the day!

I was allotted 17 students of the IX semester. I carried out the following activities under the programme.

- 1. I circulated among them a form to be filled in by them. They were mainly required to mention their grievances in the form. Out of 17 students, 6 students emailed me the forms. Out of the six, five students mentioned that they do not have any grievance. One student did not mention any complaint, but wrote that she wanted to know the career options after LL.B.
- 2. On November 11, 2022, at 04.15 PM, I conducted a meeting with the students. Out of the 17 students, 11 attended the meeting. In the meeting I asked them how they troubleshoot a problem they encounter in daily life. Students shared the diverse ways they deal with a problem. I also advised them some ways as to how a problem may be dealt with patiently. I also talked about the career and further study options after LL.B.

Thanking you Best regards

Kailash Jeenger
