Message from the Vice Chancellor's Desk

National Law University and Judicial Academy (NLUJA), Assam, was established in 2009 by the Government of Assam, through the National Law School and Judicial Academy, Assam Act, 2009. NLUJA, Assam is the first NLU to have been established in North East India and is steadily burgeoning as one of the best law schools in the country. In more than a decade of its nascent journey, NLUJA, Assam has endeavoured to scale the heights of academic excellence and successfully earned its metier among the top law universities of the country. The University features acclaimed law institutes of the country. Apart from this, the University has gained credence for its leading-edge pedagogy in imparting legal education.

To animate the learning experience of the students, the University has supplemented its teaching-learning system with contemporary ICT tools and techniques such as A-View. Text to Speech Reader. Book reading Software, e-Mooting facility, amongst other interactive tools. The course curriculum is refurbished intermittently with the view to imbibing the latest developments of the domain. The University Research Centres provide ample opportunities to the student fraternity to explore a varied range of research areas and cultivate their knack for academic inquiry. The University concertedly focuses on academic rigour and ingenious research to hone the skills and aptitude of its students. Apart from the focus on curricular activities, the University endeavours to acuminate the students professionally by encouraging their participation in moot court exercises, debates, mock trials, workshops, seminars.

It gives me immense pleasure to present to you the Pst Graduate Batch of 2024. It has been a privilege to have mentored such zestful, aspirational, and diligent students. Each one of them is duly groomed and judiciously equipped to tackle the challenges that lie ahead. This batch has persevered in the face of adversity with courage, optimism and character. The academic and extramural explorations of the students have not only facilitated their academic achievements but also brought about admirable personal development in the same.

As the head of the Institution, I invite you to NLUJA, Assam to interact with the students, assess their potential and provide them with an opportunity to work with your esteemed organization. I am confident that the students of NLUJA, Assam, will prove to be indispensable assets to your organization. I take this opportunity to express my gratitude for your support to the University and I am sure that our relations will strengthen, with each passing year.

Prof. (Dr.) V.K. Ahuja

Vice-Chancellor

National Law University and Judicial Academy, Assam

Message from the Registrar's Desk

Dear Recruiter, it is an honour to present to you the promising students of the LL.M. batch of 2023-2024. National Law University and Judicial Academy, Assam prides itself as the first National Law University in the North-East region of India, ensuring the proliferation and augmentation of legal know-how in the region. Established in the year 2009, the University has within a short span of time made its mark among the top law institutions of the nation, as per the NIRF-MOE 2022. The dynamic curriculum offered at NLUJA, Assam not only sets high-quality of learning outcomes but also demonstrates our commitment to match the evolving trends of the legal profession.

The University, despite being in the nascent stage is growing leaps and bounds in various spectres ranging from infrastructure, academics, administration to establishment of various research centres for providing appropriate exposure to students of research and development. The batch of 2024 has honed itself to thrive in truly testing times.

I firmly believe that our graduates will be diligent and competent lawyers. I take this opportunity to welcome you to our institution and invest in this relationship of cooperation and trust during the recruitment process and beyond.

Shri. Gunajit Roy Choudhury Das (ACS)

Registrar

National Law University and Judicial Academy, Assam

From the Faculty Advisor

I avail this occasion to introduce our students of the one-year LL.M. Programme of National Law University and Judicial Academy, Assam, a prestigious institution of legal studies in Guwahati, gateway to North-East India. I hereby welcome prospective recruiters to explore the preparedness and proficiency of our graduating students; groomed to join the market in time ahead.

At NLUJA, Assam we offer a variety of specialization for the LLM students to choose from which includes Business Law, International Law, Human Rights, Intellectual Property Rights, and Constitutional Law. I am assured that prospective employers will find our students highly capable to add value to their respective areas of interest. Under the mantle of NLUJA, Assam, students from all across the country have grown into disciplined, passionate and hardworking individuals. Being intrinsic stakeholders of a well-established institution brand, our students are committed to maintain competitive and vying quality while in service as ambassadors of the alma mater they belong to.

Dr. Shailendra Kumar
Faculty Coordinator

From the Head of PG Centre for Legal Studies

Legal education is attaining new heights with the emergence of five-year integrated law programs in national law universities across India. National Law University and Judicial Academy, Assam is one of such premier law schools in India offering undergraduate and postgraduate law programs.

Located near the bank of Brahmaputra and serene mountains, the university provides a healthy learning environment to the students. It offers a unique space and opportunity for the intellectual and physical development of the students. We welcome prospective employers to this matchless geography.

The university offers a one-year postgraduate program in law (LL.M.) in seven specializations (business law, intellectual property law, human rights, environmental law, personal law, international law and constitutional law). The program enables the students to demonstrate a conceptual framework of laws, critical legal understanding and its applicability in diverse areas. Mandatory assignments, dissertation and presentations sharpen their research, writing and oratory skills too. The program, thus, offers an opportunity to the students to equip themselves with competitive quality. They utilize their full potential in this environment under the guidance of the faculty members.

We, thus, have emerging talents in various domains of legal knowledge. They are suitable to be a part of any cosmopolitan work environment. Their legal understanding, work-ethics and commitment, is certainly conducive to the modern challenging workspace. We, therefore, invite potential recruiters to the institution to choose the best of our talented young minds. We are confident that a job opportunity to our students will be a value addition to your enterprise.

LL.M. Batch of 2024

The LL.M. batch of 2024 of National Law University and Judicial Academy, Assam has had the opportunity to hone their acumen and transform into individuals ready to enter the profession with distinctive skill sets and strengths, which we propose to bring over to your organisation. The students have brought laurels in Competitions organised both at the international and national level. This batch also has several publications to its credit published in reputed journals, and blogs of national and international repute.

The batch has rich exposure in successfully completing internships at prestigious law firms throughout the country, under various advocates and judges of the Hon'ble Courts of the country and government commissions, performing as per the expectations of the respective organisations that they have been associated with.

The one-year LL.M. degree programme requires students to complete three mandatory papers, six elective papers, and a dissertation. Students can specialize in Business Laws, Intellectual Property Law and Policy, International Law, Constitutional Law, and Human Rights Law.

The programme trains students to develop analytical and critical skills about legal rules, and a critical and independent view of law and legal developments, enabling them to present legal solutions and viewpoints in a systematic and clear manner, promoting an interdisciplinary approach to all kinds of laws, social science, and the legal profession, and grooming intellectual integrity and professional ethics.

Students of this batch have had the opportunity to develop their skills and legal acumen to undertake advanced legal research at the global level, demonstrate the conceptual framework of laws and its applicability in practice, have a thorough understanding and its application in the research area, understand the art of application and interpretation of law in contemporary situations, develop the skill to compare domestic and international law efficiently, and pursue various legal career opportunities at the global level.

This academically driven batch of National Law University and Judicial Academy, Assam armed with a passion for the legal perspective, and imbued with quality education and experiences, is ready to contribute to the legal industry. We sincerely anticipate that you will find the talent that you seek and form mutually beneficial relationships with our University for this Batch and the batches to graduate.
